

LUXURY DOUBLE SIDED GAME BOARD TEMPLATE INSTRUCTIONS:

BACK

The green area represents the final image area, 508mm x 508mm, plus 20mm of bleed on each side.

The pink dashed line represents the final image size for the back.

We then apply the design (and bleed) centrally on a luxury 508mm x 508mm game board, wrapping the bleed around the sides and front.

Once you've set up your own artwork - make sure you remove or hide both the green area AND the pink dashed line and then send us back a Jpeg or PDF file.

Note: if you're struggling we can make-do without the bleed & crop marks, just try to provide the game board set to the correct scale.
