

LUXURY GAME BOARD TEMPLATE INSTRUCTIONS:

The green area represents the final image area, 500mm x 500mm, plus 3mm of bleed on each side.

The pink dashed line represents the final trimmed size.

We then apply the trimmed design centrally on a luxury 508mm x 508mm black edged game board.

Once you've set up your own artwork - make sure you remove or hide both the green area **AND** the pink dashed line and then send us back a Jpeg or PDF file.

Note: if you're struggling we can make-do without the bleed & crop marks, just try to provide the game board set to the correct scale.
