

TEMPLATE INSTRUCTIONS:

The green area represents the 89mm x 64mm poker size playing card plus 3mm of bleed on each side.

The pink dashed line represents the final trimmed size.

Once you've set up your own artwork - make sure you remove or hide both the green area AND the pink dashed line and then send us back a multi-page PDF file.

Note: if you're struggling we can make-do without the crop marks, but we will need bleed if your background goes to the very edge of the cards.
