

STANDARD GAME BOARD TEMPLATE INSTRUCTIONS:

The green area represents the final trimmed size, 508mm x 508mm, plus 3mm of bleed on each side.

The pink dashed line represents the final trimmed size.

Once you've set up your own artwork - make sure you remove or hide both the green area AND the pink dashed line and then send us back a Jpeg or PDF file.

Note: if you're struggling we can make-do without the bleed & crop marks, just try to provide the game board set to the correct scale.
